

Turn the underside of your deck into an Outdoor Living Space

WATER RESISTANT

UNDERDECK

CEILING

THIS SYSTEM IS MADE OF ALUMINUM THAT IS BOTH LIGHT-WEIGHT AND STRONG! IT WILL NOT RUST OR BECOME BRITTLE WITH EXPOSURE TO THE ELEMENTS.

- Diverts water and creates a finished room look
- 25 colors readily available with color matching gutter & downspout
- 3 patterns available – (Smooth, Two Bead, & Four Bead)
- Can span up to 23 ½ ft
- Individual panels are easily removed for access
- Lighting and fan options available
